

**IMPACT**  
Cheerleading

## Introducing The Hornets Shining Stars!

Hornets Cheerleading is proud to announce the formation of its first special needs competition cheerleading squad, the Hornets Shining Stars, for our upcoming 2011-12 season.

The Shining Stars will be cheering in exhibition at all of the regularly scheduled Impact Cheerleading\* competitions. Competition cheerleading is open to girls and boys and combines elements of cheerleading, dance, gymnastic tumbling into a 2-1/2 minute choreographed routine set to high-energy music.

Practices will be held at the Hebron Baptist Church gym in Dacula, GA every Monday from 6-7pm in a safe, encouraging, and challenging environment. Our head coaches are **Amy Lazic** and **Stefanie Reed**, both national championship winning coaches.

**Cost: \$275 registration\* plus \$50 spirit fee**

"As I sat in this meeting this morning I actually teared up because I was realizing that the dreams I had for my little girl were beginning to happen. Granted, it's a little different, but it doesn't matter. She is going to run across that floor and do her thing!"

~Karen Fowler
